B86, Fort Wayne, IN 46802; or faxed to 449-7716; or emailed to kira.blacketor@co.allen.in.us Please note: for emailed applications the Certification portion only (page 4) must be faxed or mailed.

Project Information

School name and district: _____

List the materials to be purchased with grant funds:

Amount of grant money requested: _____

Number of involved students: _____ Number of involved staff: _____

Application Information:

School Address: _____ City: _____ Zip: _____

School Phone Number: _____ School Fax Number: _____

Person Responsible for Grant Implementation: _____

Applicant's Email Address: _____ Phone: _____

Applicant's position/organization: _____

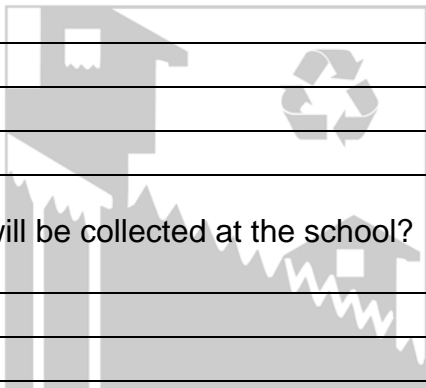

Project Narrative (an additional sheet of paper may be used).

1. Please provide a brief description of the recycling program/activity for which you are requesting funds.

2. What are the goals of your school recycling program/activity?

3. How will the grant funding implement, enhance or sustain a recycle program for your school?

4. What action will be taken to assure that the recycling program be maintained over time?

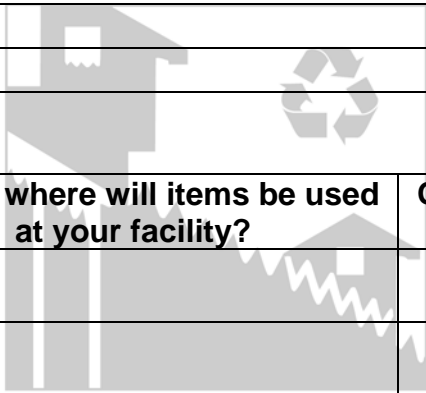

5. Explain how the recyclables will be collected at the school?

6. Explain how the recyclables will be transported to the recycling facility? Will you be using a local collections service? If so, what company?

7. How will you evaluate or measure the success of your recycling program/activity?

8. How will the school integrate the recycling program with the curriculum?

9. How will the school work with the District beyond this grant?

Project Budget

Item	How or where will items be used at your facility?	Quantity	Estimated Cost
Total Estimated Costs			\$

Baseline Data: _____ tons of trash collected for _____ school year.

(This information can be obtained from business office, head custodian or trash hauler).

Certification

The recycling program will change your waste hauling procedures; therefore, grantee should obtain support of their school principle.
