Waste Watcher

A comprehensive guide to waste reduction in Allen County, Indiana

www.acwastewatcher.org
Allen County Solid Waste Management District

Established 1991 in accordance with Indiana State Statute

Our Mission
To develop and implement a comprehensive solid waste plan which reflects the needs of the District, protects the environment, fulfills and exceeds regulatory and legislative objectives through education, source reduction, recycling, composting and final disposal alternatives; in a joint partnership with the community, government, and private sector.

*Board of Directors

Linda K. Bloom, Chair
Don Gerardot, Vice Chair
Therese Brown, Secretary
Jason Arp
Larry Brown
Tom Henry
Nelson Peters
*composition required by statute

Staff

Anthony Burrus, Director
Stacie Hubbert, Program Manager
Jodi Leamon, Business Technical Coordinator
Sara Moorman, Household Hazardous Waste Coordinator
Susan Keeler, Media Buyer/Staff Assistant
Carol Strauss, Fiscal Officer/Administrative Assistant
Bob Armstrong, Equipment Operator
William Fishering, Attorney

The Allen County Solid Waste Management District appreciates your assistance in reducing, reusing, and recycling materials to avoid unnecessary waste buried in landfills.

Disclaimer: Listings in the Waste Watcher Recycling Directory are provided free of charge to businesses that provide reuse or recycling services to Allen County residents or businesses. To ensure that the directory fulfills the mission of the Allen County Solid Waste Management District, we list only businesses that have requested or accepted inclusion in this directory and who have represented to the District that they provide services that reuse or recycle waste. The District recognizes that inclusion in the directory implies that the business assumes the responsibility for the reuse or the recycling of materials; individuals using this directory must verify the accuracy of such representation. The District does not warrant that the information, as it appears in the Waste Watcher and/or website, will be in conformance with the information provided in the application, nor does it make any warranty that any information will appear at all, just because an application is made. Businesses listed in this directory must also comply with all City, County, State, and/or Federal environmental regulations. Failure to comply with any of these may cause a business to be removed from the directory.
Community Recycling Drop-off Sites

Community Recycling Drop-off Sites

DO RECYCLE:
• Glass (clear, green, brown)
• All NUMBERED plastic (#1-#7)
• Aluminum cans
• Steel food cans
• Cardboard
• Paperboard (cereal boxes, etc.)
• Paper (any kind)

DO NOT RECYCLE:
• Containers with a lot of food or grease
• Plastic bags (see page 11)
• Mirror/window/drinking glass
• Styrofoam

TIPS:
• Please empty and rinse containers
• Flatten cardboard and bulky items
• Remove lids
• Residential material only.
   Call for help with business recycling.
Curbside Recycling

One Cart Recycling Guidelines

Not everything that is recyclable can go in your cart. Save this sheet as a guide for what can and cannot be put in your recycle cart.

For more information on how to recycle items that cannot go in your cart visit [www.acwastewatcher.org](http://www.acwastewatcher.org) or call 449-7878.

<table>
<thead>
<tr>
<th>Do’s</th>
<th>Don’ts</th>
</tr>
</thead>
<tbody>
<tr>
<td>Please rinse all containers. Remove lids from containers and recycle them loosely in your cart. Labels do not need to be removed.</td>
<td>NO Plastic Bags</td>
</tr>
<tr>
<td>GLASS BOTTLES &amp; JARS</td>
<td>NO Plastic Food Wrappers</td>
</tr>
<tr>
<td>Recycle brown, green and clear glass.</td>
<td>NO Plastic without Numbers</td>

<td>NO hoses, toys, clothes, shoes, tools, plastic straws &amp; to go lids and holiday decorations</td>
</tr>
</tbody>
</table>
LATEX VS OIL BASED PAINT

Latex, or water based paint, cleans up with soap and water. Check the label. If you have latex paint, it can go in the trash once it is dry. Oil based paint is hazardous and should be taken to Tox Away Day.

1) Reduce the amount of excess paint by buying only what you need.

2) Consider donating or giving away leftover paint to others who can use it for smaller projects.

3) Air dry unusable latex paint or use kitty litter or sawdust. Then put in trash.
Residential Fluorescent Light Bulb Recycling

DON’T THROW

Fluorescent bulbs contain the nerve toxin mercury.

The Allen County Solid Waste Management District has been partnering with local businesses for over ten years to offer free fluorescent bulb recycling to residents.

Businesses in Allen County interested in bulb recycling should contact the District at 449.7878 for pricing and additional information.

If you break a bulb do not use a vacuum. Open windows. See www.epa.gov/cfl/cleaning-broken-cfl or call the District.

RESIDENTIAL BULB RECYCLING AT: Accepts bulbs up to 8 feet in length, CFLs, and LEDs

Grabill Hardware
Downtown Grabill
13534 Main Street

Connolly’s Do It Best
Dupont Village
515 East Dupont Road

Umber’s Do It Best
Georgetown North

BIO-SOLIDS, LIME & YARD WASTE RECYCLING
6202 Lake Avenue
427.5535
or 3-1-1 for hours of operation.

REPUBLIC SERVICES
6231 MacBeth Road
442.3174

Hours of Operation: Mon-Fri: 8a-5p, Sat: 8a-12p, Closed: Sundays & Holidays

Don’t Bag It!

- Grass clippings contain 80 to 85 percent water and decompose quickly when left on the lawn.
- Up to 25 percent of a lawn’s total fertilizer needs can be met if grass cuttings are left on the lawn.
- Average lawn mowing time can be reduced by 30 percent when grass cuttings are not bagged.
- Contrary to myth, grass cuttings do not cause thatch problems.
Automotive Fluids

There is no need to wait for Tox-Away Day to recycle your Auto Fluids! Drop off antifreeze, transmission fluid, power steering fluid, motor oil, and fuel mixes at:

**Hires Auto Parts**
5733 State Road 930  
5809 Illinois Road  
7111 S. Anthony Blvd.  
1620 Northland Blvd  
*See page 33 for more options.*

---

**Business Recycling Saves Money**

Schedule a **Waste Audit** to discover where your business can cut waste. Being a good steward of resources can pay off.

When you are ready to share your success, nominate yourself for an **Excellence in Waste Reduction Award**.
Unwanted Medication Disposal

Keep expired medication in its original package. Only solid forms of medication are accepted.

Expired medications also accepted twice a year at select Walgreen’s Drug Stores. Contact TRIAD at 469.3036 for more information.

Medicine flushed or thrown away can get into our drinking water.

Properly dispose of medication at the following locations year round:

**Huntertown**
- **Town Hall**
  - 15617 Lima Road
  - Mon-Fri: 8:30a–4:30p
  - Phone: 637.5058

**Allen County/Fort Wayne Police Department**
- One East Main Street Lobby
- Mon-Fri: 8a-4:30p
- Phone: 427.1222

**Indiana State Police Post**
- 5811 Ellison Road
- Hours: Lobby open 24/7
- Phone: 432.8661

**New Haven Police Department**
- 815 Lincoln Highway East
- Hours: Lobby open 24/7
- Phone: 748.7080
Plastic bags and film packaging CANNOT be recycled through curbside recycling programs or at recycling trailers. Instead, look for recycling bins near store entrances.

Plastic retail bags
Produce bags
Newspaper bags
Dry cleaning bags
Cereal box liners
Paper towel and toilet paper wrap
Over wrap on cases of soda or canned vegetables
Sealed air pouches in mailed packages
Ziploc and other zipper-style bags – please remove zippers prior to recycling

*All must be clean and dry
Reuse Guide

BEFORE RECYCLING, INVESTIGATE REUSE

Allen County residents are encouraged to donate unwanted, usable items. Reusing is better than recycling because it saves energy, and reduces waste and pollution. These organizations can reuse your items and benefit the community.

Be sure to call the organization for more details prior to making a donation. Information about businesses may have changed since publication.

Allen County SPCA
4914 South Hanna Street, Fort Wayne, IN 46806

STOP JUNK MAIL

Reduce waste, save paper, and protect your privacy by being removed from mailing lists.

• Call the number listed on unwanted catalogs and asked to be removed from the list.

• Go to catalogchoice.org to opt out of commonly received catalogs.

• Go to dmachoice.org to stop getting marketing mailings.

• Stop getting unwanted phone books at yellowpagesoptout.com

• Go paperless for bills and statements
The following companies provide recycling services for certain materials. Some provide services only to other businesses. Please contact the business directly for details.

Recycling and composting helps save natural resources.

Recycling and composting 89 million tons of MSW...

Saved almost 1.1 quadrillion BTU of energy. That's the same amount of energy consumed by over 25 million U.S. households in a year.

Every ton of paper recycled can save the energy equivalent of 322 gallons of gasoline.

Recycling 1 ton of aluminum cans conserves over 152 million BTUs, or 1,024 gallons of gasoline.

equivalent to 21 barrels of oil.
Remember to Recycle in the Bathroom

Many of the items in your bathroom are recyclable, yet most people don’t have a bin in the bathroom.
Allen County businesses and non-profit agencies must register with the Allen County Solid Waste Management District to participate in this program.

“E-waste”, electronics at the end of their useful life, is NOT allowed in the garbage and is banned from Indiana landfills. Electronic items have a circuit board inside and contain many toxic materials.

See website for a list of accepted items.

**DROP OFF ELECTRONICS AT OMNISOURCE**

1430 Meyer Road, Fort Wayne, IN 46803  
Mon-Fri: 9am-5pm • Sat: 8am-12pm

Residents will be assessed a minimal fee to recycle up to FIVE items per trip, with a 15 item per year household limit.

*Please note that TVs will be priced separately.*
